GIVE A LITTLE...CHANGE A LOT

“Mighty Oaks from Little Acorns Grow”. This age-old expression exemplifies the Partners in Giving campaign. Forty-three years ago a seed was planted. In the years since, that seed has grown into a Dane County community of over 80,000 State, University and UW Health employees. The branches of this campaign spread across the county, throughout Wisconsin and around the world.

Over \$70 million has been collected through the Partners in Giving campaign over the years. Our success hasn't come from the contributions of a few large donors. It's come from thousands of generous state workers who each year do things like wage penny wars, donate a dollar for some homemade baked goods or designate \$5 per pay period to their favorite charity

The Partners in Giving campaign has a solid history of success due to the contributions of many

employees working together to create change and improve lives. Great things come from small beginnings. If you have not previously been a part of the Partners in Giving campaign, it is not too late to grow with us. It's never too late to make a difference in people's lives.

Every gift, regardless of the amount, makes a difference. \$1 per month helps purchase a renovated walker for a disabled client. That same dollar puts 3 meals on pantry shelves for families facing hunger. Many people, working together, can change a lot. Please turn to page 6 and 34 to see how much you can change by just giving a little.

Making your gift to the charity of your choice is easy. You may complete a pledge form or donate online through payroll deduction or by credit card at www.giving.wi.gov.

I'm interested.

Where do I start?

Explore this booklet to learn about the participating charitable organizations. The descriptions here were provided and approved by the corresponding umbrella groups. Visit the campaign website at giving.wi.gov for additional information, including direct links to the charities' own websites, if available.

What are my choices?

You can give to any of the charities listed in this booklet. The following umbrella groups represent these charities:

Local/State Umbrella Groups

- Access to Community Services
- Hunger Relief Fund of Wisconsin (administered by Hunger Task Force, Inc.)
- Wisconsin Environmental Education Foundation
- Community Health Charities
- Community Shares of Wisconsin
- EarthShare Wisconsin
- United Way of Dane County

National/International Umbrella Groups

- Independent Charities of America
- America's Charities
- Global Impact
- Neighbor To Nation

How do charities become eligible to participate?

Every participating charity must meet rigorous standards and pass an annual review by its umbrella organization and an eligibility committee of state and university employees. The Secretary of the Wisconsin Department of Administration gives final authorization to all participating umbrellas and charities.

To be part of this campaign, a charity must affiliate with an approved umbrella organization, then apply and meet all the requirements to

participate. The campaign website (giving.wi.gov) provides more details about these requirements.

Can I specify who will receive my contribution?

Yes. The choice is yours and designations go to the charities you pick. With hundreds of choices, there is at least one charitable organization to suit everyone, regardless of personal interests or beliefs. Just select those you wish to support and designate your contribution to them. (Sorry, the campaign cannot accept write-in charities. If charities you wish to support are not part of the campaign, send your donations to them directly.)

Is my contribution tax-deductible?

Yes, as allowed by law. Only umbrella groups and charities that qualify for federal tax-exempt status may participate in the campaign. Please note: The Pension Protection Act of 2006 requires taxpayers who claim deductions for charitable donations to provide proof of all contributions should they be audited. Be sure to keep a copy of your pledge form for tax purposes. In addition, if you choose payroll contribution, keep copies of all pay stubs and/or other documents from your employer that indicate the amounts you have given to charities. If you contribute by cash, check, or credit card, keep all receipts, canceled checks, and/or bank statements that verify the amounts and recipients of your contributions. Donors who give by cash, check, or credit card will receive a receipt for tax purposes for a single payment of \$250 or more. Receipts for gifts of less than \$250 are available upon request. If you have any questions about tax deductions for charitable gifts, consult a tax professional.

I'm ready. How do I give?

You have several convenient options. To give by payroll contribution, cash, or check, use a paper pledge form. To give by credit card or to make your payroll contribution online, visit the campaign website at giving.wi.gov,

click on the **“Donate”** link and use our secure server.

Your Partners in Giving coordinator can provide a paper pledge form if you do not already have one. Not sure who your coordinator is? Ask your campaign chair. A list of all campaign chairs is available on the web at giving.wi.gov. Retirees can obtain a paper pledge form by calling the campaign’s fiscal agent at (608) 246-5482.

The paper pledge form makes it easy for you to support your choice of charities. Simply follow these four steps:

Step 1. How would you like to help?

You can decide how your contribution is allocated by directing your gift to any combination of umbrella groups, individual charities, or the overall campaign.

- Use the “A” boxes on the pledge form to contribute to one or more umbrella group(s). Specify the total annual amount in the appropriate boxes.
- Use the “B” boxes to contribute to specific charities. For each charity, write the code number (indicated next to the charity’s name in this booklet) and the total annual amount of your gift in one of the blank boxes. Do not include these amounts under option A. Ask your coordinator for additional pledge forms if you wish to designate contributions to more than 15 individual charities.
- Use the “C” box to make a general contribution to benefit all umbrella groups and their member charities.

You may use any combination of options A, B, and C.

Step 2. How do you wish to give?

With the paper pledge form, you may donate by payroll contribution, cash, or check.

Under Step 2, use line 1 to make a payroll contribution. Specify the amount to be contributed each pay period of the year and multiply by the number of pay periods that you

wish to contribute. The minimum contribution per pay period is \$1. The maximum number of pay periods is 26 if you are paid biweekly and 12 if you are paid monthly. Contributions will begin with the first pay period of January 2017. (Turning in your form late may affect the January contribution.) **You must sign and date this line of the pledge form to authorize a payroll contribution.**

If you wish to donate cash, use line 2. If you wish to donate by check, use line 3. Make checks payable to “Partners in Giving Campaign” or “State Employees Combined Campaign.”

Complete the “Total Donation” line by adding the amounts in Step 2, lines 1, 2, and 3. This amount must also equal the total of all the amounts in Step 1.

Step 3. Your name and address

Clearly print your name, street address, city, and ZIP code.

Step 4. Name Release/ Acknowledgment

Your name and address (from Step 3) will be provided to the charities designated on your pledge form and associated umbrellas unless you check the box asking the campaign NOT to release your name.

Keep the pink copy of your pledge form, marked “Employee Records,” and give the rest of the form (along with any cash or check) to your Partners in Giving coordinator.

Pledging Online

The online pledge form helps us reduce the cost of the Partners in Giving Campaign, and lets you “give green” by saving paper.

To make a payroll pledge or credit card gift online visit giving.wi.gov. Click on **“Donate”** and follow the online instructions to make your pledge.

What happens to my contribution?

Like most donors, you care about what happens to the dollars you give. This booklet, the campaign website, and other information sources can help you find out. Here are several frequently asked questions and advice on where to get answers:

How are general contributions to the campaign distributed?

A general contribution under Step 1C of the pledge form is distributed to the umbrella groups according to the percentage of money designated to each umbrella group (under Step 1A) and its member charities (under Step 1B) in the current year's campaign.

For a percentage breakdown of how general contributions were distributed in last year's campaign, visit the Partners in Giving website at giving.wi.gov.

How does each umbrella group distribute the general contributions it receives?

The final paragraph of each umbrella description in this booklet explains how the organization distributes its designations (under Step 1A) and its share of general contributions (Step 1C). Designations to specific charities (under Step 1B) on the pledge form go to those charities.

How much do participating umbrellas and charities spend on administration and fund raising?

The Partners in Giving website at giving.wi.gov lists the percentages of each umbrella's budget that are devoted to administration and fund raising. To learn how much a specific charity spends in these areas, please contact the charity directly.

All charities must file annual financial reports with the Internal Revenue Service. For most charities, these documents provide a standard way of reporting each charity's program, administrative, and fund raising expenses. Information in the IRS documents is based on the charity's independently audited financial statements. The audits ensure that

guidelines defining each type of expense are followed. While the guidelines are standard, charities and auditors may interpret them differently. If you have questions about how a specific charity counts its expenses, contact the charity directly.

The following independent websites also offer financial and other information about charities and umbrella groups, though they do not necessarily cover every organization participating in this campaign.

What happens when a group of ordinary people decides to focus on the root causes of injustice? They make things better—for everyone. Community Shares of Wisconsin (CSW) has been working for social and environmental justice since 1971.

Today, CSW brings together the work of 60 nonprofits. We work to create: (1) a cleaner, safer environment; (2) justice for all; (3) fairness for people with disabilities; (4) affordable housing; and (5) more community engagement. CSW knows that when we all work together we're more effective, especially on behalf of those who often are disenfranchised, are overlooked, or have no voice.

What does CSW offer our member groups?

- We offer funding (thanks to you!).
- We offer training and consultation—on topics like accounting, marketing, and legal issues—which strengthens these nonprofits.
- We offer a forum that encourages partnerships and collaboration.

About collaboration: "All of the environmental groups that are members of Community Shares have the chance to connect and work together for greater impact. We tackle problems that are bigger than any one person or one group. And by approaching issues from multiple angles, we make real progress in creating a cleaner environment," according to Kim Wright, Executive Director of Midwest Environmental Advocates.

How can your donation make the biggest impact?

- If you give your gift to Community Shares, it helps support all of our member groups listed here.
- If you direct your gift to one or several of our member nonprofits, those groups get 100 percent of your donation.

Your gift helps us make major strides for justice. Thank you.
